Getting started with CSS

LD - 8

Careers in WD, next steps

Meet your captain (me)

My name

Swarup Job(less)s

Jk, I work as a Product Manager at a S/W company

You don't wanna know what's inside

Obvious fake smile

Likes : Basketball, energy conservation of self, sketching, food, programming (LoL, no), CODM, Hip-hop, anima, manga, dogs, more food

Dislikes : Existence

Not my hand

Facts about your captain (me)

I am very sarcastic. But I mean what I say (if you believe this, you don't know the meaning of sarcasm)

I like it when people ask me doubts without any hesitation (I swear I'm not joking here)

I don't reply on Whatsapp (If I do, treat yourself)

Instead, I'm active on Instagram / LinkedIn

Instagram handle : [instagram.com/swarup_hegde/](https://www.instagram.com/swarup_hegde/)

LinkedIn profile : <https://www.linkedin.com/in/swarup-hegde-588071183/>

Self-promotion done

Things I know : HTML, CSS, JS, React, MongoDB, MySQL, Firebase, Express, Node JS, Python, Django,

Jokes, English, How to play basketball, dank humor, Graphic Design, etc

Things I don't know : Many things

Congratulations
